“ I've know Arlene most of my life as I grew up in Ravensworth with her children. I remember stopping over to pick up Julie on the walk to elementary school and Arlene was brushing Julie's hair into pigtails!!!

She and her husband certainly raised 4 great children and she always had something nice to say and a smile on her face!

With Facebook, it's been nice to see pictures of her and her family and see the sweet comments she made. She was so loved and very fortunate to have her children help care for her these past years and then to be there with her as she passed.

Arlene was a great mom and grandmother and she will be missed and remembered with lots of love 💕💕

As the daughter of one of Arlene's bridge buddies I took so much delight in watching our moms play and laugh! So special!
