“ I will miss our morning talks. You were asking how our oldest daughter is doing overseas and when she's coming back stateside. Well, she's still overseas! You are going to be missed by so many who knew you. For me, it's not a goodbye, but I'll see you again, my friend.

“ Art was our brother-in-law who would not hesitate to call us at any hour of the day or night. He was a very skilled craftsman who loved to create and make whatever he wanted out of bricks, stones, leather, wood or metal. We have many treasures in our home that he made for us. Though he could be very opinionated and stubborn at times, he was a very generous and caring person and a committed follower of Jesus Christ.

*Our love and condolences go out to Tim, Enoch & Lisa and their family at this time.*

“ We had been friends of Art, Jan, Tim and Enoch for over 3 decades. Art and Jan were always gracious hosts when we visited them at their home. We spent a weekend with them at their time share apt. in Williamsburg. Great memories. Art was physically and mentally strong and was always willing to help others. He was always a helper for his neighbors when help was needed like snow removal. He advised others on matters relating to construction. Art had always shown care and compassion for others and praised God for all His blessings. He gave us rides to Dulles airport several times which were highly appreciated. Art and Jan had a very blessed married life. They both went to be with the Lord, just one year apart. We will certainly miss them both. Prayers for Tim, Enoch and all the family members. Art and Jan left a rich legacy for others to follow. They are in the presence of our Lord and Savior Jesus Christ now. Jacob, Mamo, Susan, George and John Mathai
