You will be missed more than words can hold. I will find you in the passion for life and the fierce loyalty I see in Dylan. I will find you in the stability, curiosity, and hunger for knowledge that lives in Cheech. And I will find you in the gentle kindness and deep, steady love you shared with Raul.

Your spirit is woven into the people you shaped, the bonds you built, and the way you moved through this world with heart. Rest easy, dear friend. Your light carries on in all of us.

To all who knew Asa, we are thinking of you. Whatever we say it is not enough to explain our grief. Please know we are thinking of you.
