“ Skip was a great guy! He and I shared the same day as our birthday, just a few years difference. He would stop by and give Kylene and I hanging baskets of flowers. Anyone who knew Skip knew he loved flowers!  
He loved his community. For many years, he was active in supporting the local city employees in their endeavors to make the Park shine.  
He has been missed for a while now, in person, but never forgotten in my heart or prayers.  
Now, you are with those who have gone before you. Kylene is sure to have greeted you there! You can now have all the flowers our Lord created.  
God bless you. May your children find peace in knowing your friends cherished you. I definitely did.  
I will miss you with your red sports car, driving by and beeping your "hello" as you traveled by.  
You were one of the good ones, Skip. Godspeed dear friend.
