

Audrey Stonehill Hanson

August 30, 1961 - July 20, 2025

Audrey Stonehill Hanson, 63, of Vienna, Virginia, passed away peacefully in her sleep on July 20 from natural causes. She was born on August 30, 1961, in Augusta, Georgia.

Audrey is survived by her husband, Scott Hanson; her sons, Neil and Ian Davies; four grandchildren, eleven step-grandchildren, and her cherished dog, Sisi. The only daughter and youngest of four siblings, she leaves behind two brothers and was preceded in death by her eldest.

A funeral service will be held on August 2 at the Oakton Stake Center 2719 Hunter Mill Road, Oakton, Virginia. The viewing will begin at 10:00 AM followed by the funeral at 11:00 AM.

A proud graduate of Brigham Young University, Audrey began her career on Capitol Hill before earning her Master's in Secondary Education from George Mason University. She went on to teach World History and Sociology and was also a Department Chair at W.T. Woodson High School, where she found her calling and community.

Though many will remember her as an educator, historian, musician, and world traveler, Audrey would have first and foremost described herself as a "Mum," and eventually a "Nana." Motherhood defined her purpose and shaped

her every decision. As a single mother, she chose a teaching career so she could share school schedules and breaks with her boys. She poured her creativity into handmade costumes, quilts, gifts, and scrapbooks, always with her children and grandchildren in mind. She drew strength from her spiritual community, surrounding her sons with mentors and role models, to shape them into responsible men.

She extended that same maternal spirit to her church service, particularly in her role as a leader in the Young Women's organization. There, she found some of the most fulfilling moments of her life: teaching, mentoring, and simply being present for those who needed her. She loved those girls as fiercely as her own sons and threw herself into that role with equal passion. For her, it was another way to be a mum, to build connection, offer guidance, and create a community that felt like home.

Her empathy was boundless. Audrey gave endlessly to her family, her students, her church, and often to strangers. She offered help without hesitation and comfort without judgment. She was a person people turned to when they were hurting, and the first to offer help when someone was in need.

Her legacy is one of warmth, generosity, and never-ending love. And while her passing was unexpected, we cherish the time and the love we shared together and are grateful to know she is finally at peace. She leaves behind a family, and a community, immeasurably better for having known her.

Scott, we are so sorry to learn of Audrey's passing. I can still recall the first time I met her, and the joy and fun that was her personality. Ken and I have admired your tender care of her for so many years as she has struggled with her health. We send love and prayers to you and your sons, daughters-in-law and grandchildren. Audrey will be well remembered as a bright light in our lives.

We are so saddened about Audrey passing and want to offer our condolences to her Family.
She was always a very positive person who was so easy to love 💕
because no matter who you were she would love you right back. One of my favorite memories was when Scott, Audrey and I join a softball local team and got to give our favorite sport one more try... we instantly bonded with each other and a closer friendship developed... our team was the worse team but we didn't care because just wanted to give one more go.
I will missed her encouragement and cheerful generous soul. I am grateful for our knowledge that she is now surrounded by love ones on the other side of the veil and without pain.
