“ *My deepest sympathy to all of Sis. Rusk's family.. My thoughts and prayers are with you all. I loved Sis. Rusk so much, you could always get a laugh when she was around, and when you ask her for prayer, you know that she would be praying for you. She loved her God, her church, and most of all her family.. I will have so may good memories of her and I going to church together.. I would take her after she wasn't able to drive much, I will forever hold those days close to my heart. She was like another Grandma to me.. she will forever be missed, but I plan to see her in Heaven, one day soon.*

“ *Judy,
We thought a lot of your mom. She was a joy to have at church, we count our times worshipping together in the Presence of the Lord beautiful and precious memories that will last. What a joy it was the last time we saw her, we worshipped with her then even though she was upon her sick bed, and that day reminded me of the verse in Psalm 149:5, "Let the saints be joyful in glory: let them sing aloud upon their beds." That day, she did sing with the rest of us aloud upon her bed, today she is joyful in glory! She was a true warrior and will be forever inspired. Judy, thank you for all your undivided care that you gave to your mom, you were a wonderful caregiver, good job, well done! We love and are praying for you all!*

“ My heart goes out to everyone. Mom Rusk was a sweet, kind person. She loved her family with all her heart and would do anything for them humanly possible .
She would always make sure her children, grandchildren and great grandchildren always knew that she loved them.
She would spoil them dearly.
This I know because my children are her grandchildren and she will be truly missed. She was the pillar of strength for the family. Always there when you needed it.
