“ Your time on earth may be done but your memory and love will last forever. You were such a blessing to all those who had the pleasure of knowing you. Your smile and enthusiasm for life was infectious. To me you were my second Mom who was always there to lend an ear or shoulder. I am so grateful my children had the honor of calling you Nanny. I will always cherish the visits and many phone conversations we had over the years. God has a very special angel. Those of us left behind will miss you dearly. Rest In Peace.
