“ *My earliest childhood memories are of being at the Anderson's house and Mrs Anderson's kind compassionate mothering including me into her family. I remember sitting proudly side by side with my best friend on our potty chairs as Mrs Anderson praised us for our efforts. I will forever smile when I think about the way I was welcomed into her home. Mrs. Anderson helped to shape me into the mother I am today. I'm grateful God placed her in my life. Rest in peace. Until I see you again....❤️*

Dear Susan and family,

I share wanted to extend my sympathy to you and your family at the loss of your mother. I remember her well when she came to deliver AVON. She was so proud of her 3 gals and their many accomplishments. What I remember most about Barbara was her smile; no matter how tired or sad she was, she always had a smile for you. Remember those memories, for she was so very special.
