“ *Many prayers to all those who were lucky enough to know and love “Aunt” Barbara. Although she wasn’t my Aunt I remember her treating me with such kindness. I remember visits to her house with my Aunt and Uncle (her in laws) after church. She was a gentle woman with devotion to the Lord and her family. I know she will be missed by many.*

“ My Nana was a great, God-fearing woman. I have so many sweet memories of her, I could write them forever. She taught me so many things from practical every day things to principals that will lead me through the rest of my life. She made me laugh each time I talked to her and told me so many stories about the way things used to be. I was so blessed to have her for 23 years of my life and she will be greatly missed for the rest of my life. The only comfort is knowing that she wouldn't return to this world even if she could because she is sitting at the feet of Jesus with all her family members that met her there worshipping her Savior. It isn't goodbye, it's just see you later.
