“ *Missing you every day, especially this time of the year. I have wonderful memories of Christmas' past when all the kids were small. No one understands how much I miss you..you were more than a sister-law. Frank, you and I were supposed to retire and spend our golden years together. I pray that you are at peace, Barbara. I will never forget you and the fact that you were a better Italian cook than I. Go figure*💔💔💔💔

“ Dear Frank,

*Just saw this tonight. I wanted to look you guys up and see how you were all doing. I was so shocked and upset to see that Barbara had died last year. I am so sorry. What happened? How are you and your kids? If you get a chance, let us hear from you.*

*Pete and I are living in Naples, FL now. He retired from UPS in 2010, and we left Kentucky. Our kids, Katie and Mike, still live in Louisville. Katie is married and expecting her first child in November. Mike is a Police Officer for the Louisville Metro Police Force...still single.*

*Would love to see photos of your kids...Carl especially, since he and Katie were playmates!!*

*Take care. You and Barbara were great neighbors and friends. Still have many good memories of our times together. Barbara was such a wonderful lady, and a super Mom.*

*Love,*
