“ *Paul you and your children are in my prayers. I know you have lost a wonderful wife and friend. Barbara was a great lady and my best friend. She was always there for me when I needed someone and that was most of the time. I loved her as a sister and will always carry her in my heart. Emma*

“ *Paul and family,*

I just want you to know what a Blessing Barbara was to the EHS Class of 1952. I only knew her one year and via mail-email the past few years but she was loved by all.

I have been and will continue to lift all of you up in prayer as you go through this period in your life.

I know we will all be united one day in the future in that Glorious Place called Heaven. We have that to look forward to.

God Bless and comfort all of you,

Elmer and Nancy Takach

“ *Paul*

It broke my heart when we heard about Barbara. We had been friends all the way through EHS and were still friends. May God bless you and your children in this time of grief. Never forget her and what she had done in her life time.
