

Barbara Glass Fenton

April 25, 1951 - June 26, 2011

BARBARA JANE (GLASS) FENTON, "JAY", age 60, of Woodbridge passed away on Sunday, June 26, 2011 at home with family by her side after a long battle with Inflammatory Breast Cancer.

Jay was born on April 25, 1951 in Leonardtown, Maryland to parents, Charles and Florence Glass. She married Donald Fenton on April 7, 1984. Jay worked at Finalco, Giant, Sears, and most recently with Prince William County Schools as a payroll specialist.

Jay is survived by her husband, Donald; children, Rebecca Leigh, Zachary Collins and Douglas B. and wife Sandra; grandchildren, Steven, Amarissa, Timothy, and Jeremy; brother, Charles Harvey "Sandy" Glass and wife Margaret; niece, Kerry Marie Newman; nephew, Darren Kyle Glass; adopted children, Milena Cardona Loving and Scott Garbelman and many other relatives and friends.

Jay was an avid book reader and strong supporter of school book fairs and any program that encouraged children to read. She loved the beach and considered the combination of the beach and a good book the nearest thing to heaven on earth. Jay will be remembered most for her heart for family and friends and for the courage she showed every single day of her battle. Even though the cancer took her body, her indomitable spirit lives on in those she

inspired and touched simply by being herself.

The family will receive friends from 2:00-4:00 & 7:00-9:00 P.M. Thursday, June 30, 2011 at Pierce Funeral Home, 9609 Center Street, Manassas. Services and interment will be private.

The family would like to thank the many people who supported Jay throughout this battle in ways large and small, seen and unseen. Jay was able to fight as courageously as she did because of your support.

Since these causes were important to Jay, in lieu of flowers, please support your local school book fair or make a donation to the Susan G. Komen Breast Cancer Foundation, P.O. Box 650309, Dallas, Texas 75265-0309.

Condolences may be sent to www.piercefh.com.

“ My deepest sympathy to Jay's family. The Cardona family has been sending prayers Jay's way since we learned of her diagnosis, and will continue to pray for her family. We know she is now in a better place, and hope the family will take comfort in the fact. God bless, Mireya

“ The smiles and laughter that came with your friendship will lighten my heart always. Your courageous heart and spirit were beautiful and I am so grateful that even during the midst of your suffering you cared enough about others. Your empathy for my Mother's struggle with brain cancer was selfless. Only a rare human being could exemplify compassion for others while suffering themselves and have a sense of humor when the circumstances were anything but funny. JJ I hope you are beachside with a good book in heaven with our sweet Lord~ See you again when I am called home.
Love always,
Patty

“ You have been an inspiration to me and my family. Through your own personal battle, you always took the time to make sure that others were looked after and taken care of, always with grace and always with that special twinkle in your eye. Your support and strength kept me going. I know you are looking down at us all, making sure we are all doing ok. My life was much richer for having know you.
