“ Barbara was a wonderful and very talented lady. From the time we met at Lois Higginbotham's house for folk art painting, around 1989, I knew this was a woman with great painting ability. Her willingness to share was well received. We started a weekly poker game with the Matthias' (husbands too!) when we all lived in Palm Coast and kept that weekly tradition going when, one by one, we all moved to Plantation Oaks. She and Fred have been missed. Jim and I hope all memories will be a blessing.

“ I will miss her. We worked together many years in northern VA, then always visited her and Fred when we vacationed in FL. Going out to dinner, Barbara and I shopping and then keeping in touch by phone. I was able to visit them in June 2023 when I traveled to Gainesville. I have wonderful memories of a dear friend. I pray for God's peace for the family.
