“ Barbara “Babs” was one of the first people I met at Virginia Intermont College. We had many fun times on and off campus together. I also remember going to the wedding in Manasas. Prayers are lifted daily for Allen, Hunter and Taylor. Much love!

*I met the King family when they were searching for a home in North Carolina. I'm thankful that I was able to meet Barbara and spend time with her while they purchased their home in Pfafftown. the one thing that will always stick with me is how loving they all were to each other and excited about this next chapter in their lives. My Heart goes out to each and everyone of you. If you need anything please let me know.
