“ *I remember this man was our school bus driver as a child. We called him "tootie"--not sure if that was his nickname or something we kids came up with. He was always pleasant as we hopped on bus.*

The kindest most respected man you'd ever want to meet. I worked with him 10+ years. One of my son's was baptized at the creek in front of his house. Will never forget. A true servant of the Lord.
