“ I first met Barbara when I was taking classes with her at Catonsville Community College many years ago. Barbara and I became good friends and she invited me to her house many times to have dinner with her family. It has been wonderful knowing the Kenney family and being a part of their lives. Ben was always quiet, he didn't say much, I always remember him as a gentle and kind man. He loved grilling steaks for us and he and the boys loved their tailgating! Ben's gentle spirit will be missed greatly.
