“ Dear Donna, Ronnie, Byrony, David & Family,

*Doug and I were both in shock and saddened by the news of Ben's sudden death. We know there are no words that can take away your pain and sorrow but I hope you know that we are here for you and your family. We can't imagine what it is like to lose a loving son, especially knowing how much we love our two sons. We do know from losing our grandson that you will never stop loving or missing them but the pain of their loss does lessen over time. We are sorry that we weren't there to give you a hug and when you needed it the most but we hope you know that you can call us if you need anything. Our love and sympathy goes out to each and every one of you and we pray that your memories of the good times with Ben will help ease your pain in the days ahead.*

*With Love and Sympathy,*

*Linda & Doug*
