“ *Carol: I am sorry to hear of your mom's passing. She was such a nice lady. I remember her working in Pioneer Girls and playing the piano at Lorimer Church. I pray that God will comfort you and your family. Patricia Gomben Schaddelee*

“ *It was a blessing to be with your family yesterday as you remembered Bernice's life and shared your love for her. You took wonderful care of her during her time of need, God is near. I hope that the promise of eternal life through Christ will be made real in meaningful ways in the days and weeks ahead.*

“ Per my phones calls to many of you and as others have posted, my mom passed away peacefully Monday morning (Mon, 4 AUG) here at our house. She was 86 years old and has lived with us nearly 10 years as we have helped care for her and my dad. Mom has always maintained her sweet, quiet spirit through the difficult circumstances of life, even those most difficult moments at the end of life.

Photo on left was taken at one of my mom's piano recitals in 1948 (when she was 20 years old). Mom was the church pianist for so many years, and we will miss her piano playing here at the house. But music in heaven will be all the better with my mom there! We love you and miss you mom, and long for that day when we will all be reunited in a much better place!!

"All these people died still believing what God had promised them. They did not receive what was promised, but they saw it all from a distance and welcomed it. They agreed that they were foreigners and nomads here on earth. Obviously people who say such things are looking forward to a country they can call their own. If they had longed for the country they came from, they could have gone back. But they were looking for a better place, a heavenly homeland. That is why God is not ashamed to be called their God, for he has prepared a city for them." (Hebrews 11:13-16 NLT)
