“ I'm so sorry for your loss. I worked with Shuemaker for 2 summers and the after school care program. She was always a caring woman that never hesitated speaking her mind. She went with the flow and did what she felt was the right thing to do. She had a lot of energy and patience. She touched a lot of lives and she was a good woman. She will be very missed.

“ I first met Beth when she was a teenage girl; she was my sister Alison's best friend. Forty years later Beth and Alison were still best friends, and I thank God for that blessed connection. Beth was a better 'sister' to Alison than I ever was. God Bless you, Beth, for your goodness, and the kindness you clearly gave to the world. I know you still exist, now without pain, and I know you are going on to do wonderful things. I know we will all see you again.

I send my heartfelt condolences to Beth's husband Don, son Donald, her mother, brothers, and 'sister' Alison Croyder.

“ What can I say about Sue, my daughter was in her class from Kindergarten and first grade for extended care services. I always looked as Sue as a family member, she was so sweet, and always so helpful with the kids. She loved each and every one of them as if they were her own. I remember bringing Sue some Barbecue ribs all the way from Montgomery, Alabama and homemade banana pudding she was so excited to taste a little bit of the south. She was always a good friend to me and my daughter, she will be missed by me and my daughter Andrea. To the family, you will be in my thoughts and Prayers. We love and Miss you all the way in Huntsville, Alabama the Catney Family.

“ As Charlie M. stated, Shue (as she requested I call her the very first time we met) was very devoted and involved with us senior members at the Center. She was multi-talented and a good teacher in all things related to life. I will surely miss her, her warmth, wit and friendship. Rest in peace our special lady. Liz D.
