“ To all the Bradley family,we are saddened by the news of the loss of Betsy. Betsy was a very sweet kind sole,who had a big heart. Betsy was very proud of her girls,and usually when you saw her atleast one of them if not all was with her at all times. I am so glad that I got to know her,and she will be forever missed.

“ Donna, Bucky, Janice, Kathy, Joyce, Vernie, Johnny - My heart breaks for you. It's so hard to lose our mother - and you will think of something everyday for the rest of your lives that you want to tell her or ask her. It's been a while since I've seen your mother, but we were neighbors back in the early 1960s. Please know that you are in my thoughts and prayers as you walk through the difficult days ahead.

“ Aunt Betsy, I am so sorry you are gone. I wish I had tried harder over the pass few years to spend time with you. You were such a big part of my growing up. I have so many good memories of Sunday dinners either at grandma's and granddads or at your home in Manassas. You were so good to me, you always treated me like one of your own children. I love you and will miss you greatly.
