“ The more enriched a person makes our lives, the harder it is for us to let them go. For this reason, I know that saying goodbye to Betsy will be hardest sorrow to bear for me, her family, and her friends. Brandon and family, I know the wonderful memories you have of your mom, as well as the love and friendship you guys have around you, will support you through this time. Betsy was a very dear friend to me and I will miss our conversations, her laughter, and everything. RIP my dearest, dearest friend.
