“ Memories with Betty are so many. I want to thank Jessica and Amanda for keeping me posted the last few days...I know your heart is breaking and so many emotions going through you head. We all know were Betty stood in her faith so we will see her again. I will miss her. To all of the family I share you grief, love and sadness. We don't need to cry for Betty because to be absent from the body is to be present with the Lord. The tears we shed are for those of us left behind where she has gone on before us and her passing leaves a void in our hearts. Praying for you all!

RIP My Dear Friend Till I See You Again,
