

## Betty Lois Mohler

March 11, 1932 - November 6, 2023

Our precious mother, Betty Lois Bolton Chihocky Mohler, was taken into the arms of her loving Savior on November 6, 2023.

Born on March 11, 1932, our mother lived every moment of life for 91 years. Many are not given the blessing of a long life, so we write this tribute with the full acknowledgement that she gave each of her children (Gil, Missy, and Jan), her daughter-in-law (Janet), her grandchildren (Adrienne, Audrey, Sarah, and Andrew), and her great-grandchildren (Addison, Lexi, Mason, Remy, and Julia) the joy and example of living a life centered on her faithfulness to her Lord, her family, her country, her friends, and everyone from Tennessee to Virginia who were blessed to know our mom.

Our mom was blessed to be one of 12 children born to Lester and Stella Bolton, and their home was chock full of faith, love, hard work, laughter, country cooking, and most importantly, gospel singing. She is survived by one sibling, LW Bolton.

For as long as we can remember, our mom played the piano while her brothers would sing in perfect harmony, both in tune and in their love of being together. Mom never had a piano lesson, so she played by what we call – playing by ear. She heard the notes in her head and the chords written on the tablet of her heart. Her piano-playing blessed those in our homes, churches, neighborhoods, community centers, and just about anywhere she could find a piano.

Our mother left us the legacies of being faithful to the Lord, honoring our

country by being nothing less than a strong conservative, working hard at whatever vocation we pursued, never gravitating to the wrong crowds, and forgiving each other because no matter what, she would say, "Family needs each other."

Thank you for taking a few moments to read this tribute. To know Betty was to know someone who didn't know a stranger. She counted it her responsibility to pen the words, "In God We Trust", on the back of every envelope she sent through the mail. She gave gospel tracts to friends and strangers – never ashamed to tell others about Christ and ask them directly, "Do you know if you were to die tonight where you will spend eternity?"

This day and every day going forward we will find ways to honor our mother, both for the life she led and the legacy she gifted us. Mom – it has been our greatest blessing to be your children. Thank you!

“ God bless Miss Betty. I had the pleasure of knowing her from Emmanuel Baptist Church and spent time at her home with Missy. I will always remember her strong values and love for the Lord. She was always no nonsense with a great sense of humor. I loved her sense of style as well. Rest in peace and love with our Lord. Kathy Masten

“ I had the privilege to be a married member of the Bolton family for 35 years. The last day of our time together was a routine trip to Winchester for a chance to try on every pair of shoes from a wide range of sizes and styles at Wilkins' Shoe Store. Betty LOVED shoes! We had our favorite lunch at the Waters Edge a corner restaurant in the old town area, the food was delicious and we lingered over coffee. We could not leave Winchester without a shopping spree through the Apple Blossom Mall at Belk's. Yes, Betty LOVED shopping! We ended the day with supper at Capitol Ridge. Yes, just a few weeks ago Betty was always ready for a full day. As you can see, Betty was a can-do woman with a great big YES and LOVE for everything!

“ I did not know your mom, but your tribute left me feeling envious of your family. My grandma was born March 11, too! Only in 1919. God bless you and your family. 🙏
