“ *I miss you so much. Every Sunday I play my gospel playlist and I think of you when Alan Jackson's songs come on. I know you especially loved "In the Garden", and I can hear you singing along. You had a beautiful voice. Thank you for always being there for me and giving me the confidence that "one day ...". You made me a promise and my faith in that promise makes every day brighter. I know as you entered heaven with Mom and all of our loved ones the heart song got louder and the light got brighter. I bet you're all laughing at the pumpkins growing wild at Little Georgetown Cemetary. I love you*

“ *My deepest condolences to the family. I knew Betty from church at Soul's Harbor Church of God. A precious sweet Lady. Always smiling willing to help in any way she could. Oh, my what a cook. Everyone loved her cooking, Betty and her Sister Margaret did of our church dinners. We all looked forward to the dinners because we knew the food would be awesomely delicious. Betty loved what she did in helping others. Love you Betty, will miss you dearly.*

“ *Betty will forever be in my heart. She was not only a dear friend for many years, she was my children's Grandmother. She loved them as her own. She was kinda the reason my children "are". She introduced me and Earnie 24 years ago, and oh boy ... what an introduction!*
Love You Betty ... till we meet again in Glory !
