“ There are so many wonderful things I can say about Bev that I don't know where to start. Bev is one of my best friends, someone I could tell my secrets and share some of the biggest parts of my life with. She calmed my nerves on my wedding day and was a counselor when I needed someone to talk with. We worked together at the store and she always said we didn't need anyone but us to run it, I always looked forward to working with her. Bev will always be in my heart and missed so very much.
