“ Although we know at such a time there is little we can say. We want to let the family know that all of you are in our thoughts and prayers today. Bev was a wonderful woman, she touched many lives with her kindness. She will always be in our hearts and we will remember her with love.

“ We are so sorry to hear of Bev's passing. She was a long-time dental patient, and good friend. Her sunny, caring nature brightened our days. We remember the little possum babies she fed and nurtured, as she nurtured many other creatures, human and animal. We saw her children grow up, and were witness to her great love for her husband John. Our thoughts are with her family in this sad time. Dr. Tom & Kaye Johnson.

“ I was so very sorry to hear of Beverly's passing. She was one of the sweetest, caring ladies I knew. I have not seen her in sometime. I know when one of my in-laws had passed she stopped by with baked chickens. So very thoughtful. What I remember her most for was when my son, at the time 10 years old was struck by a van on Davis Ford and was in a coma for 23 days. Beverly put a jar at Buckhall Store to help us. That was so thoughtful of her and so very helpful. We were going back and forth to Washington, to Childrens Hospital sometimes twice a day. She would check on my son frequently to see how he was doing. She was so very helpful to us at that trying time. I will never forget her and her kindness. She was one "Special Lady ." Now I know God has another Angel to watch over us and wait for us. It is so hard to say Good bye to someone so Special, Thoughtful and Caring. Lord knows we need so many like Beverly here, but she is watching us from heaven now and she will no longer be in pain, no more sickness just rest. We all will miss her so very much. Our prayers are with your family, with our condolences. Cathy Cornwell, Sam, Michael, Jason, Christine and Sam Jr.

“ I was very sorry to hear of Bev's passing. Although we had not visited for a number of years, our friendship was long lasting and full of genuine love and admiration. I watched her young children become adults; her life change over the years; and enjoyed her friendship while at Buckhall Church. Bev would always greet her friends with sincere feelings. There will be many of us that will miss Bev.
