“ I just read in the Bull Run Observer of Beverly's passing. I am so sorry to hear this and send my condolences to the family. Since both Anthony and Thomas were students of mine at Brentsville, I saw Beverly often. She was so supportive of her sons' education and gave freely of her time to whatever project we had going in Spanish class. It didn't matter if it was a food fest sampling Hispanic recipes or bringing props for skits. I vividly recall her arriving early one morning outside my trailer classroom with bicycles for some skit her son had cooked up! She always had a cheerful smile and time to chat.

“ I lost my dear friend and gardening buddy. We loved to enter our flowers in the county fair competitions and jump together like little kids when we won ribbons. I will miss you my friend -- Countryside Garden Club won't be the same without. You are probably already planting and arranging flowers in Heaven.
