

Bhupinder Singh

April 4, 1964 - February 18, 2026

Bhupinder “Bhupi” Singh passed away peacefully on February 18, 2026, after a courageous battle with ALS. He was surrounded by love and will be deeply missed by all who knew him.

Bhupi is survived by his devoted wife of 35 years, Kawaljit Kaur, and his beloved children, Jasleen and Maneet, who were the pride and joy of his life.

From an early age, Bhupi followed his passion for technology, a love that grew into a fulfilling career in the Information Technology department at the Securities and Exchange Commission. He was known for his sharp mind, his patience, and his joy in solving problems and fixing what was broken. His work reflected his character—dependable, thoughtful, and dedicated to helping others.

Bhupi was a man of deep faith and service. He devoted himself to God and to his community, spending countless hours volunteering at Satsang and Gurdwara, offering help wherever it was needed. His life was rooted in devotion to family, responsibility, and compassion for others.

He found happiness in the simple pleasures of life—watching cricket, action movies, and sharing these passions with his friends and family. His warmth, humility, and gentle humor brought comfort and connection to everyone

around him.

Bhupi's memory will remain a guiding light for all who were fortunate to know him. His legacy of love, service, and faith will live on through his family and the many lives he touched.

Funeral services will be held at Pierce Funeral Home in Manassas, followed by a service at the Gurdwara Sikh Sangat of Virginia.

I had the privilege of being Bhupi's colleague for the past 12 years and I admired him not only for the amazing work he did and the respect he had from all that knew him; but more importantly because he is one of the few people I have known who truly enjoyed life and was at peace with who he was. This inner peace allowed Bhupi to always be positive, dedicated, unending energy, selflessness, funny, and loved by all that were fortunate to know him. He left us all a wonderful lesson and I am grateful to have known him. My deepest condolences to his family and may you rest in peace Bhupi.

“ *My deepest condolences to Bhupi's family. Please know how widely his loss is felt. I worked indirectly with Bhupi at the SEC for many years. We used to joke that we had a mutually-beneficial work relationship as I helped him with his certifications and he helped me with IT problems. I always appreciated his kind, positive, and helpful spirit. His light will continue to shine on in the hearts of those who knew him. Wishing you peace.*

“ *I had the honor of working with Bhupi at the SEC. I echo what has been previously said here. He was inspirational. His motto was "Failure is not an option." He lived by that mantra every day of his life. He was positivity personified. Good journey my friend, the universe is now your playground.*

“ *Bhupi and I began our journey together at Delhi College of engineering and eventually made our way to America. As time passed we drifted apart, but I always took comfort in knowing you were happy in your world. I never knew you were quietly fighting a battle with ALS.*

Looking back I remember the moments when I tried to reach out but you seemed reserved and I cant help but wonder if I should have tried harder to stay close.

Now that you are gone , there is a deep sense of emptiness. You were such a kind, helpful and truly a peaceful soul. I will miss your positive approach to life . My sincere condolences to his family , may god give you the strength to bear this loss and heal .

“ I just learned today of Bhupi's passing. Such sad news to hear, the passing of someone who was such a wonderful human being. I worked with Bhupi for over 13 years and I can say he was one of the most honest, friendly, and sincere people I worked with. He loved to go out to lunch at some of his favorite Indian restaurants, and he introduced me to some great meals. My condolences to his family and loved ones. Rest easy my friend.

“ I was so sad to hear of Bhupi passing. He was such a mainstay and presence in the office, it's hard to imagine it without him. I was lucky enough to have numerous conversation with Bhupi over the years, more lately about a common lover of cricket. When Bhupi's son moved into my neighborhood and he was telling me his father Bhupinder worked here, I interrupted with "BHUPI!"

I'm just happy to have been able to know Bhupi over the years and I'm sorry to his family and friends for their loss. Bhupi had a lot of friends.

“ Since 2013, I had the honor of working closely with Bhupi, and I can honestly say he was one of the most dedicated professionals I have known. His attention to detail was unmatched, and he approached each and every responsibility with heart, integrity, and a deep sense of purpose. He never pursued excellence for recognition - he pursued it because that was simply who he was.

What always stood out to me was the pride he took in his work. He believed in doing things the right way, not the easy way. His standards were high, but so was his commitment to supporting those around him. He elevated the quality of every project he touched and set a powerful example of professionalism and accountability. Beyond his work ethic, he brought sincerity and conviction into the workplace. His passion was genuine, and it inspired others to care more, try harder, and think deeper. Over the years, I gained not only a respected colleague but someone whose presence made a lasting impact on me personally.

He leaves behind a legacy of excellence, dedication, and integrity that will not be forgotten. I am deeply grateful for the years we worked together and for the example he set for all of us. He will be greatly missed. Rest In Peace, brother!!

“ For 12 years I have had the privilege of working alongside Bhupi. He brought a calm, can-do attitude to every challenge, and he brought everyone together until "magic" happens. It breaks my heart that his life ended so young. His kindness, humor, and partnership have left a lasting mark on me. He will be deeply missed.

“ We have been next-door neighbors to Bhupi and Rani for the past 17 years, and it is hard to put into words how much he meant to our family and our neighborhood. Bhupi was always a jubilant and joyful person. When we sat on our backyard deck, our conversations were never just a simple “hi.” He would genuinely check on us and always ask how our girls were doing.

Our children and theirs navigated through the same schools. As early risers, our mornings were the same rhythm, the DC commute, VRE, and Metro. One thing we will always remember is Bhupi and Rani’s routine walks. They never missed a day, and even when we felt lazy, seeing them would inspire us to put on our shoes and go out for a walk too.

It is rare to have the phone numbers of every member of a neighbor’s family, but this is one such family for us.

We will truly miss Bhupi’s joyful presence and positive energy. Our hearts are with the entire family. May his soul rest in peace.

“ *Bhupi was a driving force who poured his immense energies into helping others. I still remember the first time I met Bhupi. I was running my first late-night deployment and ran into an issue that would have been a complete show-stopper. Bhupi signed on and quickly unblocked the issue so the deployment could be completed.
