“ Hello to Billie's Family:

I am in shock right now, Billie was my supervisor for over 15 years, as a matter of fact she hired me. she was nice, helpful and caring. I learned a lot from her, she always give us Christmas gifts, Easter raffle tickets from her church and lots of things. she always celebrated our birthdays with cakes and cards. She gave us a million paper dollars and she wrote on it: My was "Tish, you're one in a million! thanks, Billie".

Billie thanks for being a wonderful supervisor and may your good soul rest in peace.

To Billie's family and loved ones and friends. I'm so sad hearing about Billie's death. She was a unique individual with a extreamly big heart. Sharing many times together with lots of friends in Manassas. Having so many memories or her and great times together. I so wish I could be with you all celebrating her life one last time. Stuck in Florida.
