“ *My Dear Aunt Blanche: You will be missed so badly. You touched so many lives with your love and understanding. What would we have done without you and Uncle "baldie" back in the 1960's when work was slow and Daddy needed a job and a place to stay. You were there when I needed a place to hang out until I could go to work and find a place of my own. I always remember all the fun times we all have had together over the years. Times will never be the same. God bless and keep you and God bless our whole family as we say goodbye to you. We loved you so much, Dorothy Lee & Larry*
