“ I was able to see and talk to her for a little bit at my mother-in-law's viewing the day before her 81st birthday. Bobbi was a very special lady. Shelia and Bobbi went to the beach with me and my children for many years, we also went to Elvis tribute shows, antique shopping and so many more things. I remember when we went to England and Ireland, she was so glad to get on the ship to sail home. It wasn't that she wanted to come home, she could get a Pepsi on the ship. We couldn't find a Pepsi in England or Ireland anywhere. She is really going to be missed. Rest in Peace my very special friend.
