“ I spent many Saturday afternoons with Bobbi and Jack at the Burger King car show. My only regret is that I did not meet them years earlier. They were my friends and I miss them.

“ Bobbi would surprise us from time to time in Colchester showing up looking sporty in one of her collector cars - we always had the best visits! Also, very thankful for our "cousins lunches" that we enjoyed over the last couple of years - good times spent with special ladies. So very thankful for my recent time spent with her - we shared memories of long ago, read poems, talked about how much she loved her family, got out into the sunshine and shared some blueberry pie - which she declared "so good" happy memories for me to keep. Bobbi had a wonderful laugh and a beautiful smile. I know she is rejoicing at being reunited with the love of her life, her parents and all her other angels who were waiting for her with open arms. Prayers of peace and comfort John and Lisa and all of her beautiful family. Always in our hearts - we will miss you forever dear Bobbi.
