“ *Your are in our thoughts and our prayers.*

*Remember -- you walk not alone but with friends by your side.*

*The following is a poem I wrote when Terry's father passed in 2000.*

*Loss*

*I look out the window and the sun is shining.*

*A new day has come and life does go on.*

*All around you, people are smiling...*

*When all you can do is wear a frown.*

*The sorrow we, as a family, feel --*

*Blend in with the winter wind, so cold.*

*The ache in our hearts cannot be filled.*

*The void, his absence, has taken its toll.*

*We look to the past for memories fond.*

*We lean on our family and friends to stand.*

*We hope we find strength from God to go on*

*To bear the pain we feel at the loss of this man.*

*He guided us all through many problems and strife.*

*He always stood fast with his faith in the Lord --*

*He believed in God's power all of his life.*

*We now look for strength to go on from the Lord.*
