“ *Bobby, I will remember your forever smile and contagious laughter. You were always one to make light of a situation and tell a quick joke to put people at ease. My memories of you will always be back in the Breezewood neighborhood where we all met for the first time and had so many good times and laughs together. (the chicken lady, the coaster cars, trick or treating, garage gatherings, the forever basketball playing....) You and Dawn have always remained such good friends and you will be missed dearly. Love, Crespo*
