“ *Bonnie was a second Mom to me for many years. I've been a part of this family for 22 years and I'm so thankful for all the time I spent with you. I loved staying over at your house and watching movies with you and Tina or sitting on the swing with you. I'm going to miss you so much. The only thing that gets us by is knowing that you are no longer in pain or suffering. I know that you will watch over your precious family and grandbabies. I can still see you in Tina and I know that shall carry on your legacy for the rest of her life just as I do with my own mother. I promise to always stand by Tina and the girls for as long as I live. I love you always ❤️*

“ We were so sorry to hear of Bonnie's passing; may she rest in peace and knowing she is no longer in pain. She was a wonderful and happy person. Knowing her for so many years, spending time with her at Prince Cole and all the family reunions. They were some great times; there is nothing so precious as family. We will keep Chuck, Tina, Little Chuckie and the grandbabies in our thoughts and prayers. May God keep you all on His loving arms. Love always, Joe & Dawn Crawford

“ *Bonnie.....my friend you have gone to soon but you are up in a better place looking down on all of us. I remember the days and nights we sat outside with the dogs talking about everything, gossiping about everyone and we laughed and at times we cried. I will never forget those times and they will always be in my heart. I will never forget the love you had for Chuck, Tina, Chuckie, their spouses and most of all your Grandkids and they will miss you and grieve for you. I will miss you my Dear friend but I know you are no longer in pain. Rest in Peace Bonnie. Love you always, Karol*
