“ Mark and family, Bonnie, to me, was a very special lady. My only regret is that I did not have a chance to spend more time in her company - and yours - over the years. Sure, we had our occasional reunions, where I had a chance to visit with her, but these were mere fleeting moments in my life. She was a lovely, charming, intelligent and thoughtful friend. I will miss her smile and warm personality.

My thoughts and prayers are with you at this difficult time. May Bonnie rest in the peace of Christ.

Love, John

“ Our prayers are with you in this difficult time. I cannot even think of the words that would describe Precious Bonnie. Her sweet personality will always be remembered. She really was one of the most caring persons I have ever known, putting her own feelings aside to care for someone else is one of the best ways I can describe her. There is not a doubt in our mind where she is right now. Mark may Gods peace fill you and bless you. Love & Blessings Jenny & Horace McGhee

“ Bonnie will certainly be missed. She was a great person to work with and I'm grateful that I got to meet her when she moved to the data group. After I left AT&T, I would often think about her and her red car, especially when I'd see one on the road just like it. My condolences go out to the family, may God bless you and keep you in this time of sorrow.
