“ I had the privilege of teaching Bonnie in first grade. She was such a sweet young lady. We caught up last summer when I realized that she was life guarding for me at LA Fitness. She loved her family so very much and enjoyed telling me all the news at home. Bonnie was one of those children who left footprints on my heart. She left us all too soon! My thoughts and prayers are with her family and friends.

“ I'd like to tell you a story about Bonnie. My time of knowing her was limited to two years at Pennington, but one of my favorite moments at Pennington involved her. I was in fifth grade, she was in sixth. I was at the middle school dance as a perspective student (I'm fairly certain my mom made me go), and I knew absolutely nobody since I was transferring to Pennington for middle school and wasn't there since first grade like many kids. I was standing against the wall alone, but Bonnie and her friend (I believe it was Jill Page) came up to me and invited me to dance. I was shy and hesitant, so instead they stood there with me watching everyone dance and talking to me about being in middle school. We had are own little party going on. She was truly the first person I ever met there. We ate lunch a few times together, and I remember always being jealous that she looked good wearing the uniform. I like to think that my first interaction with her represented who she was as a person: kind, giving, compassionate. Your daughter was a wondering human being, and the world truly lost a blessing. I'm so sorry for your loss.

“ *I've known Bonnie for a while now. From sleepovers to church to high school classes. I remember me, Bonnie and Nikki always had to be separated because we talked way to much. She helped me through the darkest days I've had growing up. She enlightened everyone she crossed paths with. Im very thankful I had her apart of my life. You'll never be forgotten love. Rest easy. We love you! ❤️*

“ *Bonnie had an adventurous spirit I will always fondly remember. She was bold kid that jumped into whatever peaked her interest and you couldn't hold her back from anything. I laugh to myself every time I drive past Frying Pan Park and remember a group of small children stomping through the mud with Bonnie leading the way. She left us too soon.*

God Bless the McCafferty Family/extended family at this time.. God has a plan but some bumps in the road do not seem to be fair but with God's strength/wisdom each day will show you the way. At a time like this words cannot replace the broken heart but family/friends can fill some of the VOID. Hugs Judymae & Val Cognetta

“ *I will always remember Bonnie at our first Halloween party. She was about 1 year old dressed as a little lady bug- what a cutie pie- we had the privilege of watching her grow into a beautiful young woman. Now our hearts are broken for your entire family. May God bless you in this time of need and always. We love you.*
