“ We are very sorry to hear about your loss. We knew him from Lowe's and he was the most helpful and patient man you have ever met. My daughter Amanda also knew him, for he went to Shoppers and she was always his cashier. She saw him before he left the store that day and he wished her a Happy Thanksgiving. He asked her to smile for him, for we too lost my husband and her father two weeks before. He was a wonderful person. He will be missed. Our prayers and thoughts are with you all.
God Bless you all.

“ I know Boyd from working with him at Lowe's. I found him to be the Grandfather figure. He is a great guy with a lending ear. When times were tough at work he was there to make sure I was okay. I enjoyed talking about football and who was going to win. He will be greatly missed. My condolences to his family. May he rest in peace in god's arms!

“ *Boyd was one of my favorite co-workers at Lowes. He was sharp. He knew all you could know re: plumbing and was my go to person in that department. I was a horticulturist for Lowes and Boyd consulted me regarding his gardening needs. He was a great guy with a marvelous sense of humor. I was deeply saddened to learn he had passed. My thoughts are with you all.*
