Brad Smith served Prince William County for over twenty years as a volunteer in the Fire and Rescue System. He was also the Chief of Evergreen Volunteer Fire and Rescue.

Brad is survived by his wife and three wonderful children. Shiloh (20), Sierra (19) and Eli (15). Please keep them all in your thoughts.

The family will be receiving visitors at a small gathering at Pierce Funeral Home on Wednesday, March 6th between the hours of 6 and 8pm. The Smith family and Blank family all have expressed their heartfelt thanks for all of the support they have received over the past few days from the department and thank everyone for respecting their privacy at this most difficult time.

“ I learned of Brad's passing last weekend after noticing his absence at the Vienna farmers market. We spoke at length only a few times over the years but he made such a lasting impression through our shared experience of deep connectedness to family, including the loss of our mothers. He reminded me of my brother...a good man. If I wasn't making a purchase, we still waved and smiled...last year, despite both of our medical concerns. My heartfelt condolences to all of you who loved him so dearly. Thank you for letting me borrow him for those brief moments every summer and fall Saturday.

“ I met you through the farmer's markets, I looked forward to our Sunday talks in Lorton. Thanks for taking the extra time to chat every week. I'm going to miss hanging out and just sharing stories and laughing. Thank you for becoming my friend. The markets won't be the same without you and your personality being there for everyone to enjoy.

“ I knew Brad for over thirty years. Between trucking and the fire dept and working on the farm with him. We drove many a mile together in trucks and covered a lot of country. I helped him on his family farm many times between doing hay mending fences and helping with the cows. I didn't do it for a pat on the back. I did it because Brad was one of my closest friends he was always there for me anytime anywhere no matter what. He was like an older brother to me. We had many great times together and to say he will be missed just doesn't show the true loss I have in my heart for such a dear friend. So long my friend I truly hope we meet again. You truly will be missed by many.

“ It's so hard to say goodbye. Brad was more than a friend. He was part of our family for 47 years. He was there for me and my family, in good times and bad times. To say he will be missed is a huge understatement. Till we see you again, Jennifer, Mike, Amanda, Corinne and their families.

“ My sincere condolences to the Smith Family. I know Brad from EVFD. He was a great friend and we got into a lot of mischief together. He used to say 'I feel the need for speed!' Good memories.
Rest in Peace old friend.

It's so very hard to say goodbye so soon, but we know we'll see Brad again one day.
