

Brandon Christopher Kite

August 22, 2000 - December 21, 2020

Brandon Christopher Kite was born August 22, 2000, in Fairfax, VA. He was called home by our Heavenly Father on December 21, 2020. Brandon is the beloved son of parents, Scott and Michelle, siblings, Allison, Easton, Lauren, his grandmother Cynthia, and many extended family members and friends. While words cannot truly express this immense loss, Brandon will always be remembered by the happiness and love he shared with those around him.

Brandon graduated from Battlefield High School in 2019. He was a member of the school's inaugural Dive Team and served as captain for two years. He competed in the Virginia regional dive tournament his junior and senior years. Brandon was known to be fearless as he flew through the air and was always willing to try new dives. When he was not perfecting his spring-board diving skills, Brandon spent countless hours exploring the outdoors, honing his fishing skills, and partaking in many sports activities. His endless amount of energy seemingly could never be expended.

Brandon's zest for life was matched only by his infectious smile. He was the ultimate people person, and his ability to connect with individuals was unrivaled. Brandon could often be found striking up a conversation with complete strangers or reliving details of a favorite memory with family or friends. He had an uncanny ability to remember the most minor details about a person that would make everyone feel special when he recounted stories

about them. At family gatherings, Brandon was the first to greet you and the last to say goodbye. Regardless if he had seen you a few hours ago or a few months ago, Brandon made you feel loved when you encountered him. He enjoyed showing appreciation for your company, and his legendary hugs will forever be missed. Over the years, Brandon's friendly nature brightened the lives of countless people.

There was so much left to learn from Brandon about living in the moment and appreciating the little things in life. Brandon's spirit will live on through all that knew him by following his message of, "Always smile, Be kind, and say Hi."

A celebration of Brandon's life will take place at Park Valley Church, 4500 Waverly Farm Dr. Haymarket, VA 20169 on Wednesday, December 30, 2020 beginning with viewing from 10 AM until service at 12 Noon and burial following at Stonewall Memory Gardens at 2:00 PM. The visitation, service, and burial are open to everyone. Social distancing practices will be in place and masks are required.

The Kite Family is incredibly grateful for the tremendous outpouring of support during this time of overwhelming loss. In lieu of flowers, please consider visiting the GoFundMe website at "<https://gofund.me/8c44f106>"

“ Our deepest sympathy and prayers for you all. Our kids grew up together, and we always enjoyed seeing the Kite kids at school events and the ball fields. Brandon was the friendliest, most kind person in my son’s classes at BHS. It made a big difference to many, especially in a place where not many kids reached out to really talk to others. Our hearts go out to you during this difficult time.

“ I have fond memories of Brandon. Running into Brandon was a regular occurrence. I would see him "everywhere" Gravely cake walks, giant food, DVCC golf shop, sports events etc. Every time he took the opportunity to say hi Coach Rogers. High spirited, friendly kid with an infectious personality.

Your Family is in our Hearts, Thoughts, and Prayers!

Please know that we are thinking of you and your family during this difficult time.

“ Brandon was one of those people that you meet in life that touched so many without ever really understanding how infectious his smile was, even under a mask you knew he was smiling at you. He remembered everyone by their first name and always asked about your day. We will miss him singing and dancing down the hallway. Rest easy young man.

“ Such a fun loving young man. Brandon always had that infectious smile and was so much fun to be around. He will always be remembered as the guy that got the Boys Dive program off the ground at Battlefield. I can't say enough about his courage and his character. He was a great friend and teammate. He left us way too early and will be forever missed. I feel blessed that I was able to know Brandon and I will always remember him for his smile and his love for life.

“ Brandon was a remarkable man who understood the meaning of the word *TEAM*. There was never a more encouraging, supportive co-worker than him. He was always happy to assist and cheer us on, finding delight and creativity in ordinary things such as making robot heads out of cardboard boxes, making smoke signals from dry ice, and painting our halloween pumpkin. There is a huge hole in our department and our hearts without his smile. We are all better for having known him.

“ Brandon was always such an outgoing and bright light at work. It became a running game for us to try and sneak up and scare each other. He always got me. I really enjoyed our interactions. His energy, kind spirit, smile and laugh will be sorely missed at Stone Springs. The radiology department has been heartbroken to hear of his passing and we are sending all of our love to his family during this extremely difficult time. He will not be forgotten.

“ Brandon was so cheerful and always smiling when I would opened our Pharmacy door to accept items that he would delivered from Central Supply. I can still see him dancing down the hallway as I was behind him walking to our pharmacy door. Always, when talking to Brandon - I would always asked him how his " Mom- Michelle Kite" was doing? He was such a nice young man to be around when doing business. He will be definitely be missed throughout our facility.

At work, I would always know Brandon was somewhere nearby because he would always be singing, or laughing, or swapping stories with someone-- never mind that he had just met them. We will miss you around here, buddy!

“ *Brandon often joined the family on baseball trips with Easton. I had the pleasure of interacting with him a few times. Every interaction was as if we were lifelong friends. He was immediate to greet, smile, and interact. Very infectious personality. He fit into our group as if he had been a part from day 1. He certainly had a positive impact on those he met. The Huskies send our prayers to the Kite family.*
