“ I am so saddened by the news of Brants passing. Brant and I became close friends in middle school. He touched my life and my heart deeply. We laughed and joked together throught the years. We stayed in touch on and off after we graduated and were always able to pick back up right where we left off. The last time I saw Brant he was working the service dept at WalMart. He was always the same Brant. Down to earth. I cannot fully express the pain this news makes me feel. My heart goes out to his daughters and the rest of his family and friends during this time of loss. You all are in my thoughts and prayers.
God Bless

“ **John & Lynn Saragusa**
We are so sad to hear of Brant's untimely demise, so young and loved. Brant helped us move back to Louisiana in 2004 and was a delightful, helpful young man. We are praying for all of his family to have peace and strength at this sorrowful time. May God and our Savior Bless all of his family

“ Miss you so much already. Sending lots of love, hugs and prayers to your parents, girls and family. You were family, you and your fam accepted us into the family immediately. You helped raise me up, and I did my best to help raise the girls up. I'll always watch out for the girls for you as you would tell me too. We love you B. Rest in paradise until we meet again.💖
