

Brenda Vetter

August 11, 1950 - November 26, 2020

Brenda Elizabeth Vetter, age 70, a longtime resident of Fairfax, VA., went to be with the lord on November 26, 2020. She had a love for life and never gave up or complained during her battle with cancer. She was always smiling. She was a beautiful and amazing woman. We miss her so much.

She was preceded in death by her father Wade C. Vetter.

She is survived by her mother, Florence Vetter, her sister Sandra Vetter, and her nephew Brian Ulrick.

She retired after 37 years of employment with IBM.

Although retired she had an entrepreneurial spirit that was expressed in real estate and healthcare product sales. She loved planting flowers and gardening. Although she never had children, she dearly loved her nephew Brian and thought of him as a son.

She now rests in Stonewall Memory Gardens in Manassas, VA

“ I just heard about Brenda's passing and am broken-hearted to hear this. I never saw her without a smile on her face, even with all she was going through, and she absolutely lit up every room she was in with her smile. Such a beautiful and amazing lady!!

“ I first met Brenda when we both worked for IBM in Manassas. We dated for several years and we had lots of great times together.

For me Brenda was a fiery spark full of love and determination. She was beautiful, smart, challenging, empathetic and encouraging. She always looked to grow; to better herself as a person and a professional.

She was a great listener with time for friends from all walks of life. She was as selfless as she was determined and left her mark on so many people. She strengthened me every day we spent together. Brenda was from a certain mould of woman, she was a strong, positive and certain woman.

All that said, I am lucky. We had something special that a lot of people never have. I have memories I'll carry with me for my whole life. Rest in peace Brenda... I hope we will meet again in another life.
