“ *Brian will be greatly missed and our condolences go out to the whole family. Charlotte & Nicole you know how to reach us if you need ANYTHING. As the days pass by remember these few things:*

?Hold tight to memories for comfort.

?Lean on your friends & family for strength, and always remember how much you are cared about.

?Our thoughts and prayers are with you as well as many others.

?What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why he left this earth so soon, or why he left before we were ready to say good-bye, but little by little, we begin to remember not just that he died, but that he lived. And that his life gave us memories too beautiful to forget.

?Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow.

Love,

Paul, Wendy and Gena Boice

“ First of all, my deepest sympathies go out to Brian's mother, Linda and his daughters, Charlotte and Nicole. Please be assured that Brian is no longer in pain and will look in on you all from time to time during his immortal journey.

Brian, my friend, you were taken way too early from us. Your uniqueness touched us all in different ways. The day you thanked me for my Army service will remain with me until the end of time.

"Sometimes I get to feeling

I was back in the old days, long ago. When we were kids when we were young, things seemed so perfect, you know. The days were endless we were crazy we were young. The sun was always shining, we just lived for fun.

Sometimes it seems like lately, I just don't know, the rest of my life's been just a show.

Until we meet again, my friend, rest in peace.
