

Brian James Grainer

September 1, 1955 - October 27, 2025

Brian James Grainer, 70, of Centreville, Virginia, passed away peacefully at home surrounded by his devoted family on October 27, 2025, after battling Lewy Body Dementia.

Brian was born on September 1, 1955, in New Rochelle, New York. He was the third of eight children of the late Stephen and Muriel Grainer. The family moved to Annandale, Virginia in 1964 where Brian developed a passion for sports. At Annandale High School he threw discus, won District Champion honors in Wrestling, and he was notably the center and place kicker for the Atoms football team during some of their glory years. They won their District in 1971 and 1972, were Regional and AAA Virginia State Champions in 1972, and this team was inducted into the Annandale Hall of Fame in 2024.

Brian attended Madison College (now James Madison University) where he completed his degree in Bachelor of Arts in Social Studies and Education in 1977. His love of sports also continued through college and helped lead him on his lifetime career path. In wrestling, he was a 2-year letterman, state runner up, and member of the 1975 Virginia College Athletic Association (VCAA) State Championship team. He was a 4-year starting center on the football team where he earned VCAA All Conference Honors 3 times. The 1975 team earned the VCAA State Football Championship and are still the only undefeated JMU team to date. He was a team leader who was

universally respected by teammates, coaches, and athletic department staff alike.

After graduating college, Brian moved to Charlottesville, Virginia to teach and coach at Albemarle High School from 1977-1986. He taught Social Studies and coached Football, Lacrosse, and Indoor Track. He also established the local Wrestling Officials Association and became their first Commissioner. It was here that Brian and Pam first met while she was student teaching. They married in 1980 and continued to teach and coach together for several years where they formed many lifelong friendships that are still strong today.

The Grainers returned to Fairfax County, Virginia in 1986 where they settled in Centreville. Throughout his 25 years with Fairfax County Public Schools, Brian taught social studies at Mount Vernon High School, Fairfax High School, Lanier Middle School and Chantilly High School. During this time, he also coached football, lacrosse, and softball. After earning a Master Degree in Educational Leadership from George Mason University in 1995, he became Assistant Director then Director of Student Activities at Marshall High School through 2004. Brian then spent the remainder of his career at Westfield High School as an Assistant Principal until he retired in 2011.

Brian is remembered as someone who had a calm teaching, coaching, and leadership approach; always exemplified integrity; and cared deeply for the students, athletes, staff and communities he served. With his strong dedication over his 34 year career he was a well-respected coach, mentor, colleague, and friend. Many also remember his dry sense of humor and an occasional fondness for mischief.

Brian's wife Pam and their three girls Ashlie, Brittany, and Kelsey were his world. As busy as he was, he was always present for his family. He enjoyed watching his daughters play sports and taking family vacations, especially to

the Outer Banks. He welcomed 2 sons-in-law and 4 grandsons to the mix with love and open arms. His dedication to creating memories while pushing them to always better themselves has served as a cornerstone for who they all are today. His numerous beloved dogs over the years were also a huge part of his family life. Brian was considered somewhat of a “dog whisperer” and known to be very generous with peanut butter pretzel treats. Brian also enjoyed hunting and fishing when time allowed. After retirement, Brian and Pam enjoyed many trips traveling about the country and world.

Recent reconnections and gatherings the last few years with former high school and college teammates and coaches, along with decades of JMU football season tickets enjoyed with his family, brought many cherished memories and much joy to his life.

Those who knew Brian will remember him for his infectious smile, overwhelming laughter, his faith in God, and his unwavering commitment to spreading love and kindness to everyone he encountered. He had a gift for making others feel heard and respected, leaving a lasting impact on all who crossed his path.

Although Brian’s physical presence may no longer grace our lives, his spirit will continue to inspire and uplift us. May his memory be a blessing, and may we carry forth his legacy of love and compassion in all that we do. As you continue to watch over us, Brian, your light will forever shine brightly in our hearts.

Brian is survived by his loving wife of 45 years, Pamela Jillson ; their three daughters, Ashlie Alvarado (Matthew), Brittany Grainer, and Kelsey Feathers (Matthew); four grandsons, Miles and Theoden Alvarado, Jaxon and Finnley Feathers; and four family dogs, Cooper, Ryker, Nugget, and Madison. He is

predeceased by brother Stephen and survived by siblings Michael (Liz), Susan, Karen (Jack), Toni, Peter (Ginny), and Claudia (Phil). He was a proud and loving uncle to numerous nieces and nephews.

“ My name is Andy Hutchison, Annandale High School Class of 1972. I played football, wrestled and was on the track team with Brian. I looked him up when JMU made it to the college football playoffs and am so saddened to learn of his passing. He was a wonderful teammate at AHS. My wife Susan (also AHS '72) and I have a son named Brian, in no small part because of my admiration of Brian G. as a teammate. We are so sorry for his loss and extend our condolences to his family. He was dearly loved at Annandale. And what a legacy. God Bless him and his family.

“ I was deeply saddened to hear of the loss of Brian. He was kind, compassionate, and genuinely funny in a way that could brighten even the most challenging days. He had a remarkable ability to see the best in people, and that gift made everyone around him feel valued and supported. It was truly an honor to have worked alongside him. Please know that my thoughts are with you Pam and the girls(and families) during this difficult time.

“ I am so sorry to hear of Brian's passing. He had such a big heart and gentle spirit. During our time working together at Marshall High School, it was obvious that Brian valued and enjoyed being around people of all ages, but especially the students. He cared about those with whom he came in contact. He listened carefully to their joys and problems sharing in their happy and sad feelings, along with a friendly offer of help as appropriate. It was a pleasure and privilege to have had the opportunity to work with Brian. My condolences to Pam, the girls and his extended family.

Brian's subschool was a place I visited when I could to take a break from the circus that was my subschool. He was so chill and calm and welcoming. It is no wonder he has a million friends who love him. I am certainly one of them. Bruce and I send our best hugs to you and your adorable family. He will be missed but I believe smiling down on each of you and guiding the way with his wisdom and high standards. May he rest now. ❤️❤️

“ So many wonderful things mentioned in these posts. The obituary is a beautiful tribute to Brian and his impact on those who were lucky enough to know him, learn from him, work with him, and/or play for him. He was genuine and sincere as evidenced by the admiration and respect shared by all who knew him. We worked together on the admin. team at Westfield. He was relentless in the care and compassion with which he approached his job and our vision. I am blessed to have known him and to have worked with him. I'm confident that he and Francis are already busy drawing up plays on the big gridiron in the sky. Lastly, I always enjoyed our mutual fondness and appreciation for the word "husky". My condolences to Pam and the girls (and their families).

“ Mr. Grainer was one of the kindest dads I have ever had the privilege of knowing in the earlier formative years of childhood. I don't think there was ever a moment where he wasn't present or actively involved with whatever was going on. When I hear the word "Dad" Mr. Grainer would be a prime example of just that . I have fond memories of pizza, and tagging along to cheerleading competitions among other athletic events at Marshall High school with my best friend Brittany. We were always up to something mischievous but he always had a smile and the patience to keep up with the antics . Mr. Grainer always had a dog by his side , and that just means you are a good soul. I know that his presence will be beyond missed by his whole family, his friends and colleagues. My heart goes out to all his loved ones, may they have the strength to navigate the turbulence . May he rest in peace.
