“ *Judy, Russ, Mindy, and the rest of the family, I keep you in my thoughts and prayers. It isn't easy to lose a loved one. But remembering the good times you had with him and being there for each other will help you through it. Brian was a good person and even though we hadn't spoken much since school I still considered him a friend. Again, my condolences go out to you all. He will be missed but never forgotten.*
