“ *Very sorry to hear of Bruce's passing. I had the pleasure of getting to know Bruce on an overseas study program in Denmark. He was a fun person to be around and to travel with. This picture of Bruce was taken 40 years ago this spring in East Berlin. My condolences to his family, friends and colleagues. He will be missed.*

Patty! I just this morning and saw Jonathon and asked about you all and learned of Bruce's passing. Our hearts are broken. Our thoughts are with you and the boys. We would love to hear from you as we were very happy to call you our friends. Again we are so sad for your loss. Rob, Janet and Olivia

“ I can't begin to express the grief I feel over the loss of my dear friend Bruce. I was fortunate enough to be his friend and colleague at CRS for over 15 years. He was one of the kindest and most pleasant people I have ever known. We spent countless hours talking about his love of family, nature, and Australia. He was the kind of person who made work more intellectual, interesting and fun. He made a big difference in my life and I will never forget him or his ever present smile of his. My deepest sympathies to his family and friends.
