We will be thinking of you and your families in the next few days as you get through these trying times and wish we could be there to show our support. We only got to spend brief moments with Bryan and each time he was a joy to be around. He always had a smile on his face and you could tell he loved his family. He will always be watching over you and may he be at peace. Love you all, Vicky and David Willis*

“ Tara and Hunter, I have no words to express for your loss of Bryan. My last memory of him will be the big hug he gave me as we left Charlottesville and Hunter's hockey game. I will never forget how supportive he was of us all especially as we grieved the passing of grandma and granddaddy. Bryan will be forever missed but I know he is watching over you from up above. My thoughts and prayers are with you both, and his mother, his brother, and his sister. Love, Aunt Wanda

“ To Tara and Hunter...

*Of all the people we could have ended up living next door to for 10 years, we count our blessings it was the Price family. We are deeply saddened and offer our love and support to you now and as you continue to mourn Bryan's passing.*

*We have so many good memories of Bryan that we will cherish always. Playing corn hole in the backyard, talks over the fence, fire pits on the driveway, tipping a few back and battles on the Galaga machine (Bryan still holds the high score!) just to name a few. We will never forget his kindness, helpfulness and caring way.*

“ My deepest thoughts and prayers go to Brian's wife Tara and their son Hunter, along with all of the family.

*Brian will be missed so much here at "FRC". I know that I will miss seeing him coming into the office caring his white delivery bucket in his hands, full of deliveries and then going into the mail room for his drop off. I will also miss waving to him as he passes by in the parking lot, early in the mornings as he would come and go to his next delivery or pick up to our other office sites as well.*

*Brian seemed to have such a gentle and caring soul, and always took time to say "Hello" and ask "How are you doing ?". We always wished "Happy day" to each other, for the many years that we have been here at "FRC".*

*I sure will miss his presence here at work and I consider myself very Blessed and Thankful to have known him and to have been a co-worker to him.*

*Tara, Hunter and family. Scott and I were so shocked and saddened at Bryan's passing. I've read through all of these messages and everything is true about him. He would come around the corner with his deliveries, come in to my office, we'd say good morning and chat a bit, went back to the core where I always heard him laughing heartily about something, and then he would leave usually with a cup of water, and we'd wish each other a great day. I still wait for him to come around the corner and when I realize that he won't, it makes me very sad. We go way back all of us and even though I only saw him for a few minutes each day, I have a lifetime of memories and will never forget him and how kind and thoughtful he was to me. FRC is a strong family, we will be there for you. Love, hugs and prayers.*
