“Byron, It is still **TOO HARD** to believe that such a beautiful boy had to leave us all so soon. You were (and are) the greatest inspiration to so many people. Your family should all be proud to say that you were theirs. I know I am proud just to say I knew you. One of a kind to say the least. Hope you know about all the people you have touched in your short life and know what an impact you were to all who met you. Enjoy heaven! You deserve it.

“Byron although we didn't know each other all that well I will miss seeing your smiling face at school. I wish we had gotten a chance to talk more, but you're always in my thoughts. Maybe when I get where I'm going I'll get that chance to see you again. You'll be missed.
