“ I spent a lot of time with you when you and Zach were younger. You two fought about everything from the toy box to granddaddy. So annoying back then but I hold those memories dearly now. A couple years ago you helped little Cameron trim out his drone and taught him how to fly it and adjust it because you were a caring and loving kid! I love ya buddy! I know your at peace! Hug Pop pop, and Nanny and granddaddy Gardner for me! Rest easy!
