“ *Sue, Nancy, Alma Lou, Charlie, Junior, Rhonda & Norma....my thoughts and prayers are with you and your familys. All of you have a special place in my heart. From the first time Gene brought me to meet everyone I felt like part of the family. I have never forgotten the great times I had with all of you, the weekends spent at Sue's in Pa. and the times visiting eveyone in WV. I know all of you will miss Gene so much, but there are so many wonderful memories of him you have...hold them close to your heart and cherish them, for he will always be with you. I will ALWAYS love you all! Love, Phyllis O:)*
